Program Information

Advanced Digital Music Recording

& Production: Next level session for those that have already taken the beginner's course. In this class we will use the acquired skills to produce an entire song with audio recording included. Participants must attend ALL sessions (September 18, 25, October 2, 9, 16, 23, 30, November 6, 13, 20). Completion of Basic class and registration required. Call 216-391-4677.

AspireGED Prep:

In partnership with Cuyahoga Community College (Tri-C) AspireGED Program, classes are offered at the PNC Fairfax Connection in all sections of the GED, as well as basic math, literacy and writing. Prepare for the current GED test, as well as the online format. The program helps students strengthen their academic skills and build confidence so that they can achieve their educational and career goals. Registration is required by calling the Cuyahoga Community College Metro Campus at 216-987-3029 or the Cleveland Heights Office at 216-371-7138.

The Art of Narrative Podcasting:

Podcasts are recorded stories used to inform and entertain, available via the web and mobile platforms. Learn how to access podcasts focused on current events, hobbies, professional development and more. We will explore equipment needed to record, edit and publish a podcast of your very own. Ages 12 and up.

Basic Computer Skills:

Basic instruction on the center's Macs. Learn software programs to access documents, the internet, manage files and create

Basic Digital Music

Recording & Production:

Whether you're a budding musician or have a passion to create and record for a living, this class provides you access to and understanding of the software and tools you'll need to arrange your own masterpiece. In this class, students receive education on how to obtain professional-sounding results from a simple studio setup. Participants must attend ALL sessions (October 6, 13, 20, 27; November 3, 10, 17, 24; and December 1). Basic computer knowledge and registration required. Call 216-391-4677. Ages 13 and up.

Basic Facilitation Skills:

This high-impact workshop shows you steps to becoming a dynamic instructor, masterful facilitator and polished speaker. The session provides focused practice and feedback so you will leave with tangible skills you can use immediately.

Breakfast with Brian:

Bring your ideas and hear about upcoming workshops and events during this time to chat with Brian Williams — the Executive Director of the PNC Fairfax Connection.

Building Blocks:

Weekly program for Fairfax families with children under 6, featuring crafts, development and more. We will explore equipment needed to record, edit and publish a podcast of your very own. Ages 12 and up.

Computers 101:

An eight-week computer course designed by Ashbury Senior Computer Community Center to help seniors and adults learn the basics. Register early as slots fill up quickly: call 216-391-4677.

Connecting the Dots to Your

Best Self — Your Personal

Development Program:

Do you want to be the best that you can be in 2018? This workshop is geared toward YOU and learning skills, getting tools and gaining insights to achieve success (and you define what success means to you!) at work, in life, with your family, etc.

Connecting with the Community:

Come share information about a community event you are hosting or involved in. All programs discussed must be open to the public, non-political and not require any experience to attend. A Community Event Information form must be completed and approved prior to the session.

Digital Filmmaking:

Join a discussion with other industry professionals, community members and hobbyists that use filmmaking as a tool to document history, promote change, and create original entertainment. Each month features a new topic ranging from basic video skills, scriptwriting and production to post-production and marketing.

Fairfax Connection Book Club:

The pleasures of a good book club discussion include having a great book to rave about and lively debate. Join us for your Connection to the literary world as we discuss our shared experience of the selected book.

Fairfax Connection Speakers Series:

Each month promises to bring new learning and will captivate all who attend to hear the very best of today's thought leaders. The PNC Fairfax Connection Speakers series has been carefully crafted to deliver a range of inspiring speakers — renowned entrepreneurs, community leaders, and award-winning journalists. You will come away from each speaker event with greater awareness and a broader understanding of new ideas. Call 216-391-4677 for additional information regarding this month's speaker.

Families in the Kitchen:

This is a great opportunity to learn new recipes, meet your neighbors and enjoy a nutritious meal. Bring the family and join us for food, conversation and good family time! All ages welcome. RSVP by calling 216-391-4677.

Graphic Design Workshop:

Learn the art of graphic design from a pro! Participants will learn to use Adobe Photoshop to manipulate images and create a unique design portfolio. Registration required; call 216-391-4677. Ages 10 and up. **Graphic Design Workshop – Youth:** Registration required; call 216-391-4677. Ages 13-18.

How to Ace a Job Interview:

From researching the company to sending a follow-up thank-you note, this workshop covers all the basics needed for interviewing success.

Kids in the Kitchen:

A class to expose kids to great-tasting and nutritious recipes. An introduction to ingredients and recipe instruction will begin each session, followed by construction of recipes to take home for the whole family to enjoy.

Microsoft Office Skill Lab:

Learn how to use Microsoft Word, PowerPoint and Excel to create letters and presentations, as well as organize your information for home and work. **Resume Writing:** Work on your resume with a staff member, get specific resume questions answered, and learn additional tips and tricks. **Sell My Stuff:** Navigate popular internet-based sales websites, including eBay and Craigslist.

Senior Compass:

To serve and celebrate Fairfax's senior population, sessions provide information on topics like health and wellness, experiences with technology, and opportunities for self-expression and reflection.

Writer's Workshop:

Do you have the imagination and drive to develop narratives? Do you want to learn how to establish a consistent writing process? The Writer's Workshop will provide beginning writers with tips and tools on the writing process. Join our monthly guest author and learn new writing techniques.

Yoga for Beginners:

Whether you are new to yoga or have taken a couple of classes, this is the best place for you to start. Yoga is a unique way of strengthening and toning your body, improving flexibility and enhancing your sense of well-being. All ages are welcome.
