The Art Narrative of Podcasting:

Podcasts are recorded stories used to inform and entertain, available via web and mobile platforms. Learn how to access podcasts focused on current events, hobbies, professional development and more. We will explore the equipment needed to record, edit and publish a podcast. This course has been carefully adjusted to fit within our new virtual setting.

Links to join each class will be sent the day of the program. All programs listed are not offered every month.

Basics of Online Learning:

Learn about the world of virtual learning, from Zoom to WebEx to Microsoft Teams. Learn tips for logging on, protecting your privacy, and accessing educational and entertaining content from across the globe!

Basic Yoga: Join us with our partner Kimberly Archibold-Russell for our normal Saturday yoga sessions, online! Whether you are new to yoga or have taken classes, this is the best place for you to start! Yoga is a unique way of strengthening and toning the body.

Breakfast with Brian: We are back, but different! Please join the PNCFC Staff and our executive director Brian Williams to find out about upcoming virtual programs and general updates.

Connecting with the Community:

Come share and hear about community events. All programs discussed must be open to the public, be nonpolitical and not require any experience to attend. Always scheduled directly after *Breakfast with Brian*.

Cooking LIVE with Chef Tiffani:

Our monthly LIVE cooking class with Cutting Board Academy will allow you to learn tips and tricks for creating various meals to enjoy with you family and friends. This month is all about pizza. Join our very own Chef Tiffani as she walks you through how to make pizza from scratch! Participants will learn to make their own pizza crust and marinara sauce. Give your pizza some pizzazz as we explore various toppings with some delicious, unique ingredients. Register now — space will be limited for this fun virtual experience! More information to come on how to win all of the items required to make your own yummy pizza. Ages 13 and older.

Creative Design: Join us and Jamal “JayWorking” Collins to learn how to brand yourself using the art of graphic design. We will be discussing online creative platforms like Adobe Spark and Canva.

Fairfax Connection Book Club Lite:

Welcoming the same broad cross-section of participants who enjoy the Fairfax Connection Book Club, Book Club Lite focuses on news articles that reflect current events relevant to this Fairfax Connection community. Book Club Lite, which will follow the same general format as the live version (content review, core question, analysis and dialogue), leverages the complexity of the article’s nuances and core issues to foster discussion, exchange and critical thinking.

The result is a rich conversation that rises from and is fueled by the varied and diverse perspectives of the participants’ lived experiences — the same participants who have often said that the Club to them feels like “a warm and supportive learning space.” Book Club Lite is simply the continuation of the same effective programming that supports the safety of social distancing, while also leveraging technology to bring people together to learn from and teach each other.

Leveraging Your Online Profile:

Join PNCFC Staff and Lucas Tindell of Tindell Training to learn how to build your social media profiles to get the career or clientele that you desire. Learn how to connect to the professional world online.

Tech Assistance: Having issues joining our virtual classes? Join us on Mondays for general tech support. We will be able to provide 1:1 assistance to ensure that you are prepared and set up for our next program.
